S/WS Royal Mews 368' N. from centerline of Staffordshire Rd.  
Acres: Lot #52, Block O, Plate 14, Sect. IV  
"Springdale" District: 8th

Dear Mr. Hammond:

The following comments are furnished in regard to the plat submitted to this office for review by the Zoning Advisory Committee in connection with the subject item.

General:

Baltimore County highway and utility improvements are not directly involved, and are as secured by Public Works Agreement 86905, executed in conjunction with the development of Springdale, of which this property comprises Lot 52, Block "O" of Plat 14, Section IV, Springdale, recorded O.T.G. 33, Folio 83.

Development of this property through stripping, grading and stabilization could result in a sediment pollution problem, damaging private and public holdings downstream of the property. A grading permit is, therefore, necessary for all grading, including the stripping of top soil.

The Petitioner must provide necessary drainage facilities (temporary or permanent) to prevent creating any nuisances or damages to adjacent properties, especially by the concentration of surface waters. Correction of any problem which may result, due to improper grading or improper installation of drainage facilities, would be the full responsibility of the Petitioner.

This office has no further comment in regard to the plan submitted for Zoning Advisory Committee review in connection with this Item 26 (1981-1982).

Very truly yours,

ROBERT A. MORTON, P.E., Chief
